Investor Presentation
May 2024

Forward-Looking Statements. This presentation may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements expressing management's current expectations, forecasts of future events or long-term goals may be based upon beliefs, expectations and assumptions of the Company's management, and are generally identifiable by the use of words such as "believe," "expect," "anticipate," "plan," "intend," "estimate," "may," "will," "would," "could," "should" or other similar expressions. All statements in this presentation speak only as of the date they are made, and the Company undertakes no obligation to update any statement. A number of factors, many of which are beyond the ability of the Company to control or predict, could cause actual results to differ materially from those in its forward-looking statements including changes in interest rates and other general economic, business and political conditions, the impact of inflation, continuing effects of the failures of Silicon Valley Bank and Signature Bank, increased deposit volatility and potential regulatory developments. These risks and uncertainties should be considered in evaluating forward-looking statements, and undue reliance should not be placed on such statements. Additional information concerning the Company and its businesses, including additional factors that could materially affect the Company's financial results, are included in the Company's filings with the Securities and Exchange Commission.

Use of Non-GAAP Financial Measures. This presentation may contain certain financial information determined by methods other than in accordance with accounting principles generally accepted in the United States ("GAAP"). These non-GAAP financial measures include "Adjusted Earnings," "Adjusted Earnings Available to Common Shareholders," "Adjusted Diluted Earnings Per Common Share," "Adjusted Return on Average Assets," "Adjusted Return on Average Shareholders' Equity," "Adjusted Return on Average Tangible Common Equity," "Adjusted Pre-Tax, Pre-Provision Earnings," "Adjusted Pre-Tax, Pre-Provision Return on Average Assets," "Efficiency Ratio," "Tangible Common Equity to Tangible Assets," "Tangible Book Value Per Share," "Tangible Book Value Per Share excluding Accumulated Other Comprehensive Income," and "Return on Average Tangible Common Equity." The Company believes that these non-GAAP financial measures provide both management and investors a more complete understanding of the Company's funding profile and profitability. These non-GAAP financial measures are supplemental and are not a substitute for any analysis based on GAAP financial measures. Not all companies use the same calculation of these measures; therefore this presentation may not be comparable to other similarly titled measures as presented by other companies. Reconciliations of these non-GAAP measures are provided in the Appendix section of this presentation.

Commercial Loan Growth

More conservative approach to new loan production in light of economic uncertainty has impacted production levels since mid-2022

- New hires and an increase in productivity of the commercial banking group without increasing the size of the business development team
- Addition of expertise in specialty finance and SBA lending
- Increased exposure to higher growth markets in Northern Illinois and St. Louis
- Successfully moving up market and working with larger clients that have greater financing needs
- Effectively leveraging technology investments, including the Salesforce platform, to improve win rate and expand relationships with clients
- New commercial loan production to be funded by planned reduction in consumer portfolio

Average FICO Score	756

Projected GreenSky Balances

Plan with GreenSky to Wind Down Portfolio

- Notice provided to officially terminate the GreenSky program in October 2023
- Reduced loan originations
- Projected portfolio reduction to \$417 million by EOY 2024
- Decrease in portfolio to improve liquidity and capital
- Escrow deposits
 - Escrow deposits absorb losses in excess of cash flow waterfall
 - Escrow account totaled \$26.2 million at 3/31/24 or 4.3% of the portfolio

Asset Quality

- Nonperforming loans increased due to placement of 4 loans on non-accrual, totaling \$47.4 million, 3 of which were multi-family construction or multi-family projects
- Past due loans and substandard loans declined during the first quarter
- Net charge-offs to average loans was 0.30% primarily driven by equipment finance with provision for credit losses on loans of \$14.0 million, primarily related to increases to specific reserves, charge offs in the equipment finance portfolio and changes in forecasts and other Q factors

Recent Financial Trends

Overview of 1Q24

Solid Financial Performance

- Net income available to common shareholders of \$11.7 million, or \$0.53 diluted EPS
- Pre-tax, pre-provision earnings⁽¹⁾ of \$32.2 million
- Steady net interest margin of 3.18%
- Strong noninterest income of \$21.2 million
- Disciplined expense control kept noninterest expense consistent with prior quarter

Continued Success in Balance Sheet Management Strategies

- Improvement in loan-to-deposit ratio
- Growth in tangible book value per share
- Increases in all capital ratios with CET1 ratio increasing 20bps to 8.60%

Positive Trends Across Key Metrics

- Growth in wealth management business driving higher levels of non-interest income
- Continued growth in noninterest-bearing deposits resulting from new and expanded commercial relationships
- Loan portfolio continues to shift towards core in-market C&I and CRE loans

Prudent Increase in ACL and Decline in Net Charge-Offs

- ACL/Total Loans increased to 1.31% from 1.12%
- NCOs declined from prior quarter
- Increase due to specific reserve of \$8.0 million on one multi-family construction project

Notes:

(1) Represents a non-GAAP financial measure. See "Non-GAAP Reconciliation" in the appendix.

Loan Portfolio

- Total loans decreased \$172.6 million from prior quarter to \$5.96 billion
- Decrease primarily driven by decline in equipment finance portfolio of \$54.5 million, continued runoff of GreenSky portfolio of \$77.7 million, and lower C&I line utilization
- Decrease in non-core portfolios partially offset by new loan production from high quality commercial clients that provide full banking relationships
- Runoff from GreenSky portfolio rotated into investment portfolio

Total Deposits

- Total deposits increased \$14.5 million from end of prior quarter, primarily due to increases in noninterest-bearing demand and brokered time, partially offset by seasonal outflows of servicing and public funds deposits
- Noninterest-bearing deposits increased due to new and expanded commercial and small business relationships and a shift from interest-bearing checking
- Short-term brokered deposits added to offset seasonal outflows and reduce other borrowings

Net Interest Income/Margin

- Net interest income down slightly from prior quarter due to lower average earning assets
- Net interest margin decreased 3bp to 3.18% as the increase in the cost of deposits exceeded the increase in the average yield on earning assets, as well as the impact of interest reversals on loans placed on non-accrual
- Average rate on new and renewed loan originations decreased 34bps to 7.88% in 1Q24 from 8.22% in 4Q23
- Net interest margin expected to continue to be relatively stable as loan portfolio continues to reprice and the impact of continued repositioning in the investment portfolio is realized

Wealth Management Revenue

(in millions)

Noninterest Income

- Noninterest income increased from prior quarter primarily due to higher wealth management revenue
- 1Q24 noninterest income included incremental servicing revenues of \$3.7 million related to the Greensky portfolio
- 4Q23 noninterest income included incremental servicing revenues of \$3.8 million and \$1.1 million gain from the sale of Visa B stock offset by \$2.9 million of losses on the sale of investment securities
- Fee income expected to be \$18.0 - 18.5 million in the near-term quarters

Noninterest Expense and Operating Efficiency

Noninterest Expense and Efficiency Ratio ⁽¹⁾

(Noninterest expense in millions)

- Efficiency Ratio ⁽¹⁾ was 58.0% in 1Q 2024 vs. 55.2% in 4Q 2023
- Slight increase in noninterest expense from prior quarter primarily attributable to seasonal impact of higher payroll taxes and higher FDIC insurance expense offset by lower health insurance costs in the first quarter
- Near-term operating expense run-rate expected to be approximately \$45.5 - \$46.5 million

Notes:

(1) Represents a non-GAAP financial measure. See "Non-GAAP Reconciliation" in the appendix.

Capital Ratios and Strategy

Capital Strategy

- Capital initiatives increased CET1 to 8.60% from 7.77% at 12/31/22 with limited buybacks below TBV
- Internal capital generated from strong profitability and slower balance sheet growth expected to raise TCE ratio to 7.00%-7.75% by the end of 2024
- Capital actions and strong profitability expected to enable MSBI to raise capital ratios while maintaining current dividend payout

Capital Ratios (as of March 31, 2024)

Building Capital

- CET1 Increased 20 bps to 8.60% from from 4Q23 despite credit headwinds
- Balance sheet and capital strategy reduced risk weighted assets \$135M from 4Q23
- Support organic growth needs of new and existing core relationships
- Opportunistic share repurchases at or below TBV and continuing 23-year track record of increasing the dividend on an annual basis while continuing to improve capital
- Targeted CET1 ratio of 9.00% to 9.25% by end of 2024

Annual - 2023

Quarterly - 1Q24

Outlook

2024 Outlook and Priorities

- Well positioned with increased levels of capital, liquidity, and reserves
- Prudent risk management will remain top priority while economic uncertainty remains with business development efforts focused on adding new commercial and retail deposit relationships throughout our markets
- Capitalizing on market disruption resulting from M&A to add new clients and banking talent
- Strong financial performance and prudent balance sheet management should lead to further increases in capital ratios
- Loan pipeline remains steady and new loan production within the community bank will continue to partially offset the runoff from the GreenSky portfolio and continued intentional reduction of the equipment finance portfolio
- Neutral interest rate sensitivity positions Midland well for managing future changes in interest rates
- Maintain disciplined expense management while also investing in areas that will enhance the long-term value of the franchise
 - * Improvements in technology platform and additional advisors positively impacting business development in Wealth Management
 - * Expanded presence in higher growth St. Louis market including the addition of a new market president resulting in new commercial, retail and wealth management clients
 - * Banking-as-a-Service initiative expected to start making a contribution to deposit gathering and fee income during 2024

Long-Term Formula for Enhancing Shareholder Value

APPENDIX

ESG: A Framework for Sustainability

Environmental

Facilities

- We have installed solar power in 22 Midland locations.
- Our corporate headquarters, built in 2011, is LEED (Silver) Certified.
- We have made more than \$50 million of credit available for residential and commercial solar projects since 2011.

Paper Reduction

- More than 50% of our customers use paperless statements and we have had a paper elimination program in place since 2010.

Social

Community Impact

- We have been serving families and businesses since 1881, offering products and services based on the needs of our customers.
- We work with more than 200 community organizations to ensure we address the needs of each of our markets in the areas of lending, investments, philanthropy, products, community engagement, and inclusion.
- The Midland Institute CEO program, a unique year-long program designed to teach entrepreneurship to high school students, was created in 2010. As of 2023, 70 programs serving 330 schools utilize this powerful program for energizing tomorrow's business leaders.

Culture and People

- Since 2008, Midland has provided all employees with personal and professional development training.
- Midland's Advanced Study for Talent Enrichment and Resource Training (MASTERS) program serves to develop future leaders of the Company. To date 68% of participants have been women or minority employees.
- In April 2020, Midland established the Diversity & Inclusion Council. This council, now known as the Council of Belonging, continues to actively contribute to our Company culture, reinforcing our commitment to diversity, inclusion and belonging for all employees.
- Midland offers employees paid time off to contribute their time and talents to recognized charities, causes, or not-for-profit community organizations.

Philanthropy

- Since its creation in 2011, the Midland States Bank Foundation has contributed more than \$1.8 million to non-profit organizations throughout Midland's footprint. The Foundation seeks to align contributions with Midland's Community Impact focus: education, work force development, financial empowerment, housing, small business development and health & wellness. Priority is given to programs or organizations that focus on low- to moderate-income populations.

Financial Education

- In 2023, we provided over 600 volunteer hours specific to financial empowerment seminars in our communities.
- Since 2015 we have held more than 450 financial literacy seminars benefiting low to moderate income or minority neighborhoods in our footprint.

CRA, Community Development and Financial Inclusion

- Through our Believable Banking® Residential Mortgage and Home Improvement programs we have made \$123.5 million of loans to families underserved by traditional loan programs.
- Our banking products and services are offered through our personal bankers, online with materials clearly describing the features, costs and alternatives available, and by dual-language materials in our branches and our ADA compliant website.

Governance

Reputation and Ethics

- Midland States Bank was one of the first in the nation to have a woman on its board (1903).
- Our board includes female, Hispanic and African American representation and has since before becoming a publicly traded company in 2016.
- Our Code of Business Conduct and Ethics is available at investors.midlandsb.com.

Oversight of Strategy and Risk

- The Company's Chair and CEO roles have been separate since the Company's inception (1988).
- All directors, except our CEO, are "independent" pursuant to applicable SEC/NASDAQ rules.
- Our board of directors has established a Risk and Compliance Committee to oversee all aspects of risk and compliance management across our enterprise.
- Consistent with COSO's 2017 Enterprise-Wide Risk Management (ERM) Framework, our ERM program employs business process risk ownership and the "three lines of defense" model.

Data Security

- We utilize data security programs and a privacy policy under which we do not sell or share customer information with nonaffiliated entities.

Executive Compensation

- Our executive compensation, including all performance related compensation, is evaluated annually by Risk Management to ensure consistency with Federal Reserve Safety and Soundness requirements, and the Interagency Guidance on Sound Incentive Compensation Policies issued jointly by the federal regulatory agencies.
- All cash and equity incentive programs for executive officers include performance metrics and/or four-year vesting periods.
